**IMPORTANT**

The terms and conditions embodied in this permit require the permittee to complete this work by the date specified in the permit. Where the permittee fails to comply with the condition as to completion of work by the specified date the following rules will govern:

- (a) Failure to start work by specified date. Permit will be canceled unless permittee desires an extension of time, in which case a supplemental permit may be issued.
- (b) Work started and not completed by specified date. Permittee will notify Township prior to expiration of allotted time of inability to complete the work on or before the specified and request an extension of time. The prescribed fee shall accompany such request.
- (c) Permittee not desirous of carrying out proposed work on account of change in conditions affecting it. Permittee will notify the Township prior to the specified for completion that work will not be carried forward, returning the permit with such notice. The fee for inspection of the will be refunded by the Township, provided that they have been notified of cancellation prior to the expiration date.

The fee, to be paid under the conditions in (a), (b) and (c), applies only to permits for which fees are collected in accordance with the fixed schedule.

All notices relative to time extensions or cancellations shall be forward to the Township, which issued the original permit.
