1. Storage Garage, 100 Newhaven Lane: Building Code Official/Zoning Officer Round performed a recent inspection of 100 Newhaven Lane. At that time, he noticed an unpermitted structure, which occupies four (4) parking spaces. He notified Mr. Matt Wrublesky, Integra Care, to attend this meeting to seek approval of the reduced number of parking spaces. Mr. Wrublesky stated Intregra Care was required to re-stripe the parking area, which increased the parking spaces to fifty-six (56) spaces, which includes six (6) handicapped spaces. *Frenchak motioned authorizing Building Code Official/Zoning Officer issue an after the fact building permit since the re-striping*

*created nine (9) additional spaces from the original approved spaces of forty-seven (47). Lynd seconded. Motion carried unanimously.*

2. Mr. James Kneiss, 135 Elgie Drive, Pre-Application: Mr. Kneiss seeks approval to subdivide three (3) acres from property (3F41 44) owned by Mr. Thomas Sutton. Mr. Kneiss previously attended a Planning Commission meeting on August 29, 2001. At that time, the Planning Commission said, “*a modification could be granted to the ordinance for an additional house to be added since Elgie Lane is a private lane which was developed years ago and presently has twelve homes on it.*” The consensus of the members is to ask for a modification to Chapter 14, Subdivision and Land Development, Article VI, Public Improvements and Design Standards, Section 14-603, Streets, Curbs, and Sidewalks, Subsection A7a at the time Mr. Kneiss submits a subdivision plan.
